FLY BY NIGHT'S OAKWOOD.

Barney Schreiber had an inuag at Washington Park Saturday, winning the Oakwood Handicap with Fly By Night and a purse race with In Shot.

Fly By Night's victory in the Oakwood was a most impressive one, inasmuch as he carried 118 pounds and practically set his own pace. Bullman, instead of Ruiz or Buchanan, was up on Fly By Night, and he seemed to be able to make him run much faster than either of the other boys could, and brought him home an easy winner in 1:33, which was a smart performance for nine furlongs.

The assignment of weights in the Oakwood Handicap was such that the bookmakers were all at sea as to which horse to make favorite. Each of the nine starters seemed to have friends in plenty, and there was always about 4 to 1 and take your pick against any one horse, Sidney Lucas closing favorite at 3 1/2 to 1. Starter Dwyer had considerable trouble getting the field away in the handicap and wasted over fifteen minutes' time before he caught the horses anywhere near together, and when he did give the signal Sidney Lucas was far back and apparently had no chance. Fly By Night broke fifth, but he and Found soon went to the head of affairs and alternated in the lead to the head of the stretch, where there was a general closing up, and Found retired. Fly By Night, however, kept right on and successfully stalled off the the bids made by Andes and Sam Phillips. The latter, with Tommy Burns up, made up much ground in the run through the stretch, and the chances are that had Burns made his move sooner than he did he would have had a chance of winning.

The win of In Shot was totally unexpected, but nevertheless the ring was keenly scorched over the victory. Barney Schreiber did not bet on the filly himself, but the half-holiday crowd that were simply out skylarking backed her one, two, three, for small amounts at long odds ranging from 20 to 1 to 6 to 1. The filly is a quick breaker, and getting away with her best foot in front she smothered her field with speed and came home five lengths in front of the odds-on favorite, Fancywood.

For the first time since the Washington Park meeting began T. Burns piloted a winner. He was up on Alard Scheck in the second race and the colt won handily by two lengths from Harry Herendeen. The latter had all kinds of bad racing luck and was poorly ridden, but made an impressive showing.

The Ryan-Whitten contingent put their checks down on The Roman in the fourth race, and the Boots' cast-off "delivered the goods," beating Orimar by a neck after a gruelling finish.

May Beach is "Hawkins' Hoss" now, and in the three-quarter sprint she made Yellow Tail and four others look cheap. The Texas-bred filly opened up a gap of eight lengths in going the first half-mile, then loafed the rest of the way, winning eased up in 1:13 1/2.

Lieutenant Gibson, at a favorite's price, was easily beaten by The Elector in the opening mile and twenty yards dash. Bullman was up on the Lieutenant and rode him a perfect race so there is no excuse to offer for his defeat other than that The Elector ran too fast for him.

HAWTHORNE STAKES.

Twelve stakes are offered by the Chicago Jockey Club for its summer meeting, which opens at Hawthorne on Monday, July 25, following the close of the Washington Park season. Liberal inducements in the way of added money are made in all, and some of them should be quite valuable to the winners, as the nominating fee in each event is \$10, with \$40 addi-

tional to start. Entries may be made at the office of the Chicago Jockey Club, 403 Monadnock Building, Chicago, up to midnight on Saturday, July 14. The stake list is as follows:

Prairie Stakes—2-year-olds. Five and one-half furlongs. \$700 added.

Lassie Stakes—2-year-old fillies. Five furlongs. \$700 added.

IMPROVEMENTS AT HARLEM.

Additional surprises are in store for racegoers when Harlem reopens its gates for the summer meeting Monday, August 6. The already splendidly equipped racing plant has been further improved in numerous respects since the close of the spring meeting June 22. As soon as the crowd left after the last race Superintendent Myers began putting into effect plans for further beautifying the property. Although his men have only been at work for a week evidences of energy are apparent in every spot of the Proviso speedway.

One of the pleasing additions is to the south of the grandstand in the shape of a spacious lawn, 450 feet long by 150 feet wide. In the center of this sward an artificial lake, 200x80, is being excavated. This lagoon will be bordered by vitrified white tiling, and in the center of it a mammoth fountain will send refreshing sprays of water skyward. At each of the four corners of the miniature lake the waters of smaller fountains will be thrown toward the central stream.

To the south end of this lawn an immensely high flagpole, from which the national colors will float, will be erected in a few days. And in the center of the infield another flagpole, 100 feet high, will be placed. At the wings of each steeplechase obstacle the flags of all nations will wave. Only, however, on such days when jumping races are not on the program. When races "over the timber" are carded the obstacles will be ornamented with the conventional red and white flags.

All parts of the new grandstand and betting ring are now complete. Every portion of the last named structure fully comports with its surroundings, inasmuch, that it has been walled and ceiled with hardwood. Where a roadway formerly led from the Twelfth street entrance to the paddock is now a wide lawn, dotted with flower beds. The track proper is in even better shape than the last day of the spring meeting, when Sly gave to the world the new record of 1:19 for six and a half furlongs. Under the direction of superintendent Myers a force of men is kept at work upon its surface each day, with the result that the cushion is in perfect condition.

Secretary Nathanson yesterday received proofs of the entry blanks for the stake events,

Winner—B. h. by Hanover—Constantinople.

Went to post at 3:11. At post 6 minutes. Start good. Won driving; second easily. The first two had the race between them all the way. Sanders is very fit and was best. He was hard ridden to catch His Royal Highness in the stretch. The latter weakened when caught. Native was outrun in the first part of the race, but closed strongly at the end. Autumn tired at the end. Mark Cheek received an easy ride and was overweighted.

Scratched—18855 Richard J, 132; 18680 Kinnikinnick, 123; 18828 Vuleain, 122; 18825 Gold 'Or, 118; 18890 Montanic, 111; 17434 Touraine, 97.

Went to post at 4:02. At post 22 minutes. Start good. Won easily; second driving. Commando was much the best. He was never fully extended and was being eased at the end. Bonnibert was kicked and much used at the post.

which will run at Harlem during August and September. They provide for thirteen stake races, to be run in four weeks of racing, thereby insuring a stake on alternate days. They are all added money affairs, practically insuring a valuation in each from \$1,200 to \$1,500. The stake list provides four for two-year-olds, three for three-year-olds, three for three-year-olds and upward, two for all ages and one for steeplechases and the Turf Congress Handicap, which closed with ninety nominations. Entry blanks will be ready for distribution tomorrow. Nominations to the Harlem stakes will be closed Monday, July 23.

GOSSIP OF THE TURF.

Monday afternoon at 12:30 the horses comprising the stable of Tomlinson & Co. will be sold at auction in the Washington Park paddock. These horses are fit for racing at once, and, better still, can win races. Serrano is the star of the offering and a race horse good enough for any man's money. Last year he closed his campaign with a record of seven consecutive victories over the best horses then running over the Chicago tracks, and is ready to hold his own now with the best at Washington Park. The list of horses to be sold will be found in the advertising department of this issue, and there is not one of the lot that should not bring a good round sum.

In the advertising columns of this issue will be found the announcement of the sale of a lot of fine yearlings, bred by Dr. W. A. McAlester, of Columbia City, Mo., and sired by his imported stallions Siddartha, Joe Norwood and Wood Moss. No breeder in the west has turned out more winners than Dr. McAlester has in recent years, and the batch of highly-bred youngsters to be sold in the stock yards pavilion Monday evening, July 9, call for close attention from the many turfmen now in Chicago.

Winner—Ch. g. by King Ernest—Trill.
Went to post at 4:58. At post 3 minutes. Start good. Won easily. Trillion is a sure jumper and was cleverly handled by Brazil. He was tiring at the end and was ridden out. The pace fell on Nestor and he tired. Old Tank and Dave S. fell after going two miles, but were remounted and finished. Mars Chan ran into guide post. Mr. Stoffel took off too soon at the liverpool. Al Reeves is a rank jumper.
Trillion, place, evens; show, 2 to 5. Nestor, place, 3 to 1; show, 6 to 5. Old Tank, show, 3 to 5.

Went to post at 5:30. At post 5 minutes. Start good. Won easily; second the same. Dolando was much the best. He was well in motion when the flag fell and was drawing away at the close. Prestidigitator ran a good race from behind and went well further than was expected but was tiring at the end and had to be hustled to stall off Sir Fitzhugh. The latter made up a lot of ground and was closing fast at the end. Anjou was badly kicked while at the post, but showed a lot of speed and came again very strongly in the stretch. Rare Perfume tired. Bannock ran well for a mile and was eased up at the end.

Winner—Br. h, by Hanover—Lady Abbess.
Went to post at 2:30. Off at the first break to a good start. Won cleverly; second and third were under keen pressure. The Elector is in excellent form, was well ridden and ran a high-class race. He was going away from the others at the end and pulled up not the least bit distressed. Lieutenant Gibson skinned the rail on the first turn and in fact saved all the ground possible, having no excuses and running his best race. Zoroaster is a good, consistent gelding, but Martin is altogether too light to do him justice, and let him swerve badly in the stretch. This horse is in winning form. Highland Lad showed a lot of speed, but hung when the pinch came. Flaunt ran a fair race. So did Serrano, who was high in flesh, showed a lot of speed and pulled up sound. Scratched—(18349) Bannockburn, 126; (18852) Rinaldo II., 108.
Overweights—Flaunt, 5 pounds; Mellocole, 2.
The Elector, place, 8 to 5; show, 7 to 10. Lieutenant Gibson, place, 3 to 5; show, out. Zoroaster, show, 3 to 5.

Winner—Br. c, by Hindoo—Cherry Blossom.
Went to post at 3:05. At post 10 minutes. Start fair. Won cleverly at the end after an early drive; second, third, fourth and fifth doing their best. Alard Scheck was the best, best ridden, and was going away at the finish. He is a good colt, like a route, and is as game as a pebble. Harry Herenden ran a fine race. He had a hard time in getting through early and was "roughed" considerably at the head of the stretch by Alard Scheck and Burns. Kid Cox made up a lot of ground from the head of the stretch home. Jiminez was bumped into and almost thrown on the far turn. He was going well in hand when this interference occurred, and with clear sailing would have been a keen contender. Admonition, for a new beginner, made a good showing and should win a maiden race soon. Lasance and Queen o' Day collided and both almost fell at the three-eighths post.
Scratched—18820 Schoolmaster, 111.
Alard Scheck, place, out. Harry Herenden, place, 2 to 1; show, evens. Kid Cox, show, 3 to 1.

Winner—Ch. g, by Candelmas—Flibbertigibbet.
Went to post at 3:45. At post 18 minutes. Start good for all but Sidney Lucas. Won well in hand. There was sharp action behind the winner. Fly By Night improved suddenly under Bullman, and ran one of his best races. Bullman saved the gelding cleverly at the post and rode skilfully throughout. Sam Phillips finished with a tremendous rush. Burns had to take him back on the first turn to avoid being interfered with, and after that, perhaps, waited too long before making his move. Considering the weight that Sam Phillips was giving away his race was a cracking good one. The colt looked a trifle stale at the post, and is, perhaps, staling off. Andes ran a cracking good race, but hung a bit at the end. He is in excellent form and will be hard to beat from now on. Cambrian was running under a double pull on the far turn, but when Caywood called on him the colt seemed to sprawl all over the track. Bangle ran a good race under his heavy impost. Jolly Roger seemed to sulk in the first part of the race, and was also roughly treated on the far turn, when Vandusen made his move. Martin was helpless on Sidney Lucas and the colt simply plodded all the way. Found was raced into subjection by Fly By Night in the first three-quarters.
Scratched—18642 Mint Sauce, 110; 18882 Tulla Fonso, 102; 18882 Eva Rice, 105.
Overweights—Jolly Roger, 3 pounds.

Went to post at 4:35. At post 5 minutes. Start straggling. Won driving to the limit. The first six were closely bunched and all were driving hard. The Roman came with a rush at the end and barely got up in time. He had a rough journey and ran a smashing good race. Orimar perhaps should have won. For some unknown reason he dropped far back after passing the half mile post, and Bassinger did not seem to make a move until the race was practically over. Patroon improved a lot since his last race. Jim McLevey seemed dangerous at the head of the stretch, but hung at the end. Bullman rode Sam McKeever hard all the way. Bermuda Prince ran a good race as far as he went. He is a fair sort of selling plate. Neither Honeywood nor Tulla Fonso had a chance from where they got off. Scales quit in the stretch. Croesus had an easy race.
Scratched—18822 Sea Knight, 106; 18884 Bishop Reed, 103; 18853 Lake Mills, 102.

Went to post at 5:10. At post 5 minutes. Start good. Won easily; second handily; third whipped out. The last three were driving. May Beach is in excellent form, and smothered her field with superior speed. Caywood stole a big lead early and the other boys hardly knew which way he went. Midwood ran a good race, but was outclassed by the winner. Ailanto got away all tangled up, and this considered he ran a better race than the figures show. Hagerdon is improving. Yellow Tail showed some speed, but not much, and is evidently not in his best form.
Overweights—Ailanto, 3 pounds.

Went to post at 5:40. At post 3 minutes. Start good. Won easily. It was a terrific drive for second place. In Shot showed the most speed, hugged the rail all the way and ran a surprisingly good race. Buchanan whipped the filly for an instant at the head of the stretch to keep her from loading, and at the end she was going away. Fancy Wood was badly outrun in the first part of the race, but finished with a terrific rush. Cora Goetz hung in the last hundred yards.
